If teams are still tied at the end of the extra inning, game will be declared a tie.

There will be no infield practice in any softball game. In baseball, each team will have five minutes after the preceding game ends.

**HOME TEAM WILL BE DESIGNATED ON THE SCHEDULE.  
HOME TEAM WILL OCCUPY THE THIRD BASE DUGOUT.  
HOME TEAM WILL KEEP THE OFFICIAL SCORE.  
FAILURE TO HAVE A COMPETENT SCOREKEEPER MAY  
RESULT IN FORFEITURE OF THE GAME.**

## **UNIFORMS**

**Every** team must wear the same color jersey with an identifying number. The number must be permanently affixed, legal size, (at least four inches in length and ¾ inches in width) and clearly visible to the umpires. Players wearing taped on or magic marker numbers will be considered out of uniform. Duplicate numbers may not be worn.

Metal cleats prohibited for all slow pitch teams.

## **ELIGIBILITY**

Each manager **must complete** a team roster form and sign the affidavit, provided by the Sports Office. The roster must include the player's name, player's signature, if minor parent's/guardian signature, phone number and social security or identification number. Teams not returning their roster (COMPLETED) at the designated deadline will be charged a \$30.00 service fee. **ANY TEAM NOT REPRESENTED AT THE RULES AND CONDUCT MEETING WILL NOT RECEIVE A PLAYING SCHEDULE AND BE DISQUALIFIED. NO EXCEPTIONS.**

## **ROSTER**

All roster changes must be made at the Sports Office. The roster form and waiver of liability can be found at [www.cabq.gov/parksandrecreation/recreation](http://www.cabq.gov/parksandrecreation/recreation). **No telephone changes will be accepted.** Only managers or assistant managers are allowed to make roster changes. Only the manager may remove their name from the roster. **NO EXCEPTION!!!** In some cases the League Director may, at the request of a player wishing to be dropped from a roster, negotiate and drop a player. A player desiring a release to play with another team must arrange for the manager to drop his/her name from the roster. Roster changes will be accepted through the last scheduled game.

## **CONDUCT**

The “Player Code of Conduct” (attached) of the Sports Section, will govern the league.

**NOTE: MANAGERS ARE RESPONSIBLE TO MAKE THEIR PLAYERS AWARE OF THE “PLAYER CODE OF CONDUCT/WAIVER OF LIABILITY.”**

Please read the Player Code of Conduct to all players, especially those added after the season has started.

## **ADVISORY BOARD**

1. Made up of participants, managers, and officials.
2. To stay generally informed of the league and of the administration.
3. To make necessary changes.
4. To hand down disciplinary action on players and managers misconduct as called for by the Player Code of Conduct.

## **PROTEST**

Two types of protest may be requested.

1. A protest based on the misinterpretation of a playing rule shall be filed by the manager/captain immediately, and before the next legal/illegal pitch is made to the batter. Should a manager/captain decide after play has resumed, or after the game is over, that he/she wished to protest, the protest will be denied. Field Supervisors will have the final decision on all protest.

2. A legal protest must include:
  - a. The date, time, and place of the game.
  - b. The decision and/or condition surrounding the cause for the protest.
  - c. All essential facts involved in the matter of the protest.
3. A protest based on the use of an illegal/unregistered player(s). To do so the manager must protest after such player is entered into the game and prior to such player completing his/her second time at bat. Upon proper protest the umpire will have player(s) produce a pictured ID (ie: driver's license, school ID, etc.) and game will resume. The umpire will note the protest and inform the Sports Office the following workday. If the questioned player is not on the roster, the game will be forfeited. Failure to present a pictured ID card at the field, during a protest, will result in a forfeit.

**PENALTY:**

1. Manager(s) may be suspended for one calendar year and must appear before the Advisory Board, if using illegal/unregistered players.
2. All other forfeit rules apply.

**FORFEITS**

Teams failing to appear with the required number of players at the end of the five (5) minute grace period shall forfeit the game to the opposing team. All slow-pitch games must start with at least nine (9) players, and finish with no less than nine (9) players. All baseball and fast-pitch games must start and finish with nine (9) players. At fields where a forfeit has occurred, teams may scrimmage after signing a waiver, releasing the City of any liability.

Teams are expected to comply with the Field Supervisor's request to clear the field. A twenty-five (\$25.00) forfeit fee must be paid before the forfeiting team's next scheduled game.

**Forfeits, which incur a \$25.00 fee, are:**

1. Failure to present a new ball at pre-game. (Baseball home team should have at least three (3) game balls.)
2. Failure to have the required number of players at game time.
3. Failure to have equipment.

**Forfeits, which incur a \$50.00 fee, are:**

1. Teams who have a no-show (no players present at the end of the grace period.)
2. Use of illegal/unregistered players.

A team forfeiting two (2) consecutive games or a total of three (3) games may be dropped from the league. If a team does not pay the forfeit fee before the next scheduled game, that team will be dropped from the league.

**STANDINGS**

Standings will be available at the Sports Office or at [www.cabq.gov/parksandrecreation/recreation](http://www.cabq.gov/parksandrecreation/recreation). Anyone desiring such information is welcome to come by the office and obtain this information.

**Standings will not be given over the phone.**

**PLAYER CODE  
OF CONDUCT**

The Player Code of Conduct will be in effect for any activity (City or Non-City sponsored) played at City facilities.

**UMPIRES**

Umpires assigned will have the power to banish any manager, player(s), or sponsor from the player's bench or field for misconduct, delay of the game, or any other reason deemed necessary for the good of the game. The umpire's decision shall be final, except those regarding misinterpretation of the playing rules.

All umpires assigned will submit a written report to the Sports Office within twenty-four (24) hours after the game in which a ejection/banishment has occurred. The reports will focus on the team and player conduct. Any player banished from the game by the umpire shall be required to leave the bench (**OUT OF SIGHT, OUT OF SOUND**) and shall not be allowed to remain in the stands or vicinity of the playing field or direct remarks toward the umpire during the remainder of the game.

**Any player or coach who is ejected from a game will automatically be suspended from his/her team's next scheduled game.**

Any player who is banished and does not leave the playing area may cause the game to be forfeited. If this occurs, the player is suspended for three (3) leagues games.

Player and team managers are encouraged to provide feedback on the quality of umpiring. Field Supervisors will furnish each team with evaluation cards.

The City Sports Program is always in need of umpires. If interested please contact Ray Maxey at 291-6239. (Participants are eligible to officiate).

All Softball Leagues can bat an unlimited roster.

All slow-pitch games must start with at least nine (9) players, and finish with no less than nine players.

A player is able to participate on more than one team, as long as he/she plays on teams that are within the same league.

**NOTE:** Once a player has established themselves on a league, he/she **cannot** move to a different league.

**Suspension:** Violation of this rule may result in a one-year suspension from league play.

Managers can add the 10<sup>th</sup> player at the end of the line up upon arrival. If a player is injured he/she can be scratched out of the line up and each player after will move up in the batting order. If a player is ejected and there are no substitutes every time that batter appears in the line up, he/she will be declared an out

On a fair fly ball hit over the fence for a home run, the batter and all base runners are credited with a score. The batter and any runner on base do not need to advance and touch the bases. They should go directly to the dugout area. This would eliminate any base running appeals.

In coed a minimum of nine (9) can start a game. However, there must always be five (5) female players in the line up. An out shall be declaring the tenth position in the line up when that position is scheduled to bat. A tenth player may be added in the tenth position of the line up at any time before the end of the game. That added player must be a male.

**COURTESY  
RUNNER**

Any player may replace any runner at any time when time is called. Allow one (1) courtesy runner per inning. If the courtesy runner is due up to bat he/she will be called out. The runner will be removed from the base and a second courtesy runner cannot be substituted. The courtesy runner called out does not lose his/her turn at bat. This out could end the inning but not the game. You can replace an injured courtesy runner but he/she will not be allowed to play for that game.

**CHEMICAL  
UNITS**

The upkeep of chemical toilets is costing more, and we ask for your cooperation in keeping them clean.

**SMOKING/  
ALCOHOL  
BEVERAGES**

Players cannot consume alcoholic beverages/smoke, during any game, either on or off the field. Players caught consuming beverages/smoking during the game will be immediately ejected.

As per City Ordinance alcohol beverages are **not** allowed at the following facilities:

**Barelas Rail Road/South Second  
Tingley  
Martineztown  
Vietnam Veterans/Odelia  
Heights (baseball)**

**GLASS  
CONTAINERS**

City Ordinance prohibits the use of glass container in all City parks. Teams using glass containers will face disciplinary action.

**FENCES**

Due to the maintenance problems, we request that you **DO NOT** bat balls against, or scale the chain link fences.

**BASE DISTANCE**

All softball leagues will use the base distance

Fast Pitch	60 Feet
Women's Slow	65 Feet
Men's Slow	65 Feet
Coed	65 Feet

**DIVISION**

A team may register for any division within the league. However, to ensure league balance the League Director may move a team up or down within the structure of the league. If moved, a team will enter the new division with a 0-0 record. Division winner will be determined by percentage of wins against games played.

**LINE UP**

Teams must submit line-up cards (provided by the City) prior to the game, to the home plate umpire. Line-up cards should have the player's name (first and last), number, and position. This card should be signed at the end of the game to ensure accurate reporting of scores.

Neither the score, nor the standing will be changed if the line-up card was not signed. Failure to comply with names (full) and numbers may result in a forfeit.

**AWARDS**

Team awards will be given for first and second place league finishers. If there is a tie for first place no second place will be awarded.

**COED RULES**

All (Sanctioning Body) coed rules will apply.

**BALL**

**All slow-pitch teams must use any COR.44 ball.**

**COR.47 balls will not be allowed on City fields at any time during league play. This includes any ball(s) that come from the dugout to replace a homerun or foul ball(s).**

**Teams must “shag” all homeruns and foul balls that they hit. If a team does not have a COR.44 ball to throw in as a replacement ball, play will not resume until a COR.44 is retrieved. Game clock continues to run.**

Teams must supply a new ball for each game.

Women's slow-pitch must use an 11" ball – COR.44

Coed will use both a men's and women's balls. Men will hit the 12-inch ball and the women will hit the 11-inch ball.

**JEWELRY**

For safety prevention, jewelry **will not** be worn during a game.

**DUGOUTS**

Children are not allowed in dugouts. Only uniform players and an official scorekeeper are allowed in dugouts during games.

**TO ALL SOFTBALL COACHES/MANAGERS/PLAYERS**

In an effort to serve you better, the City of Albuquerque Sports Section has a system in place for game rain outs/cancellations. Team manager/player will have the opportunity to call the City of Albuquerque's, **311 number** and obtain information pertaining to rain outs, game cancellations, and any other information that will effect league play. Please use this opportunity to get the status of your playing field on your night of play. Rain outs, game cancellations will not be posted until field conditions have been obtained.
